RIGGERS GLOVES**New****CODE****DESCRIPTION****WC-8WRM**
(MEDIUM)**WC-8WRL**
(LARGE)**WC-8WRXL**
(EX-LARGE)**WC-8WR2L**
(2XL)

Standard rigger gloves? Think again! Instead of standard cotton stitching, PROMAX KR series riggers are stitched with Kevlar for superior resistance to abrasion, heat & general wear. Plus we only use premium A-grade cowhide leather & apply strict QC controls to every batch. The result? A longer lasting glove especially suited to the rough & tumble of metal fabrication work!. Sold in Pairs

WELDING APPAREL**New****PROMAX BL7 LEATHER****CODE****DESCRIPTION****PROMAX BL7****WC-01782**
(MEDIUM)**WC-01781**
(LARGE)**WC-01783**
(X-LARGE)**WC-01784**
(2XL)

If you need the protection of a full leather welding jacket, you can't go past the "Promax BL7"! A special design which offers up to 40% reduced weight and superior comfort - without compromising durability and long wear-life. Opening is off-set to avoid the high wear area directly in front of the operator. Hook and loop closure avoids the added weight and discomfort of metal studs. Extended back offers better protection when bending, kneeling, etc. Selected premium cow hide leather, kevlar stitching and fully welted seams for longer garment life. Adjustable cuffs & collar.

**PROMAX BLUE FLAME****PROMAX BLUE****WC-01797**
(MEDIUM)**WC-01798**
(LARGE)**WC-01799**
(X-LARGE)**WC-01800**
(2XL)

The Hot Looking Jacket for Welders who know how to keep their Cool! Comfortable, Affordable & Looks Great. Sewn with heat resistant Kevlar thread for durability.

EARPLUGS & MUFFS**CODE****DESCRIPTION****New****WC-05377**
